Also, Rob and I realized that some of the folks who are participating in the 4/25 Seattle meeting will be traveling to Portland for the 4/26 lamprey/sturgeon meeting involving the Trustees, NRRG members, the City and EPA. Thus, we might want to give some thought to possibly switching the 4/25 meeting to Portland, in exchange for holding a different meeting in Seattle. Or, if the PH manager group is already committed to 4/25 in Seattle, we can stick with that. I doubt we'll ever be able to perfectly coordinate all the meetings on our schedules, but we should continue to keep an eye out for coordinating team member travel whenever we can.

Thanks,
Mikell

Eric, Chip, Jim, Val, Rob and Jeremy,

Valerie Oster has asked for a list of likely participants from EPA/partners for the 4/18 meeting (CSM/Round 2 report, in Portland) and the 4/25 meeting (FS, in Seattle). I've taken a first guess at participants for each meeting (below) but would like your thoughts on any changes needed to these lists. Please take a quick look and add or delete folks as appropriate to represent who you think will attend (this is all an estimate at this point), and send this back to me by tomorrow if possible.

Thanks,
Mikell

Hi Mikell -

Can you try to round up the list of likely participants from the Agency side for both the 18th (CSM+Round 2 Report - in Portland) and 25th (FS - in Seattle)?

I'm going to be out of touch April 21 and 24 and so I'm trying to get the next two meetings squared up at the same time, more or less!
